**BANK OF ASSESSMENT TOOLS FOR DISCIPLINE**  
**HUMANITARIAN STUDIES**

Training program (specialty): 31.05.01 GENERAL MEDICINE

Department: SOCIAL SCIENCES AND HUMANITIES

Mode of study FULL-TIME

Nizhniy Novgorod  
2021

## 1. Bank of assessment tools for the current monitoring of academic performance, mid-term assessment of students in the discipline

This Bank of Assessment Tools (BAT) for the discipline "Humanitarian Studies" is an integral appendix to the working program of the discipline "Humanitarian Studies". All the details of the approval submitted in the WPD for this discipline apply to this BAT.

*(Banks of assessment tools allow us to evaluate the achievement of the planned results stated in the educational program.*

*Assessment tools are a bank of control tasks, as well as a description of forms and procedures designed to determine the quality of mastering study material by students.)*

## 2. List of assessment tools

The following assessment tools are used to determine the quality of mastering the academic material by students in the discipline:

No.	Assessment tool	Brief description of the assessment tool	Presentation of the assessment tool in the BAT
1	Tests	A system of standardized tasks that allows you to automate the procedure for measuring the level of knowledge and skills of a student	Test Task Fund
2	Report	The product of the student's independent work, which is a public presentation on the presentation of the results obtained by solving a certain educational, practical, educational, research or scientific topic	Topics of reports, messages
3	Creative task	A partially regulated task that has a non-standard solution and allows you to diagnose skills, integrate knowledge of various fields, and argue your own point of view. It can be performed individually or by a group of students.	Topics of group and/or individual creative tasks

## 3. A list of competencies indicating the stages of their formation in the process of mastering the educational program and the types of evaluation tools

Code and formulation of competence*	Stage of competence formation	Controlled sections of the discipline	Assessment tools
UK-1, UK-3, UK-5.	Current	Section 1. Theoretical approaches to the structure and functions of the state and the political system.	<i>Creative task, Report</i>
UK-1, UK-3, UK-5.	Current	Section 2. State and political structure of modern Russia.	Creative task, Report

UK-1, UK-3, UK-5.	Intermediate	Section 1. Section 2.	Test tasks, Credit
----------------------	--------------	--------------------------	--------------------

#### **4. The content of the assessment tools of entry, current control**

Entry /current control is carried out by the discipline teacher when conducting classes in the form of: Creative task, Report, Test tasks

4.1. Tasks for the assessment of competence UK-1, UK-3, UK-5.

Examples of creative tasks:

Option 1. It is generally recognized that the presence of a solid ideological base has historically contributed to the successful development of many states, especially at the early stages of their development.

Think about whether this statement is true for the Russian state after its peoples adopted The electoral system of modern Russia? Give examples of the positive and negative impact of this event on the future of the country.

Display possible versions of the historical development of the country in your opinion in case of adoption of one of the other religions or rejection of monotheism in the form of a "scheme of alternatives".

Option 2. The facts of falsification of National history often fall into the modern media space, especially in relation to the events of the XX century and the period of the Great Patriotic War.

Think about what are the historical and political prerequisites of the most common myths? Draw meaningful parallels between the origins of the most common myths and their supposed consequences.

Display the situation in the form of a linear graphic scheme of three components: "the causes of the myth — the false content of the falsified event — the negative social consequences of falsification."

4.2. Tasks (assessment tools) for the credit

The full package of tasks is given UK-1, UK-3, UK-5, OPK-1:

1. Purpose, objectives and basic concepts of the course.
2. State power, signs and functions of the state.
3. Separation of powers and state bodies.
4. The political system of society.
5. Typology of states.
6. Monarchy and its types.
7. Republic and its types.
8. State structure of modern Russia.
9. The political elite of the Russian Federation in the 1990s.
10. The political elite of the Russian Federation in the 2000s.
11. Structure and political functions of the elite of modern Russia.
12. The party system of modern Russia.
13. The electoral system of modern Russia.
14. Activities of the State Duma of the Russian Federation I-VII convocations.
15. Authorities in the Nizhny Novgorod region.
16. Authorities in Nizhny Novgorod.
17. Historical prerequisites for democratic transformations in the USSR.
18. Democratization of the political system in the USSR and the Russian Federation and its consequences.
19. The USSR at the end of the twentieth century in the structure of the world community.
20. The Russian Federation is a new democratic state.
21. The Constitution of the Russian Federation of 1993. Contradictions and difficulties of implementation.
22. Russian political system and its transformation.
23. Economic transformations in the Russian Federation and entry into the world market.
24. The main directions of the foreign policy of the Russian Federation.

#### **5. The content of the assessment tools of mid-term assessment**

Mid-term assessment is carried out in the form of a credit.

5.1 The list of control tasks and other materials necessary for the assessment of knowledge, skills and work experience

5.1.1. Questions for the credit in the discipline "Humanitarian Studies"

Question	Competence code (according to the WPD)
<p>1. THE OLD RUSSIAN STATE IS A PERIOD</p> <p>1) VI-IX centuries 2) VIII-XI centuries 3) IX-X centuries 4) IX-XII centuries</p>	<p>UK-1, UK-3, UK-5.</p>

## 6. Criteria for evaluating learning outcomes

For the credit:

Learning outcomes	Evaluation criteria	
	Not passed	Passed
<b>Completeness of knowledge</b>	The level of knowledge is below the minimum requirements. There were bad mistakes.	The level of knowledge in the volume corresponding to the training program. Minor mistakes may be made
<b>Availability of skills</b>	Basic skills are not demonstrated when solving standard tasks. There were bad mistakes.	Basic skills are demonstrated. Typical tasks have been solved, all tasks have been completed. Minor mistakes may be made.
<b>Availability of skills (possession of experience)</b>	Basic skills are not demonstrated when solving standard tasks. There were bad mistakes.	Basic skills in solving standard tasks are demonstrated. Minor mistakes may be made.
<b>Motivation (personal attitude)</b>	Educational activity and motivation are poorly expressed, there is no willingness to solve the tasks qualitatively	Educational activity and motivation are manifested, readiness to perform assigned tasks is demonstrated.
<b>Characteristics of competence formation</b>	The competence is not fully formed. The available knowledge and skills are not enough to solve practical (professional) tasks. Repeated training is required	The competence developed meets the requirements. The available knowledge, skills and motivation are generally sufficient to solve practical (professional) tasks.
<b>The level of competence formation</b>	Low	Medium/High

A complete set of assessment tools for the discipline "Humanitarian Studies" is presented on the Educational portal of Privolzhsky Research Medical University:  
<https://sdo.pimunn.net/course/view.php?id=2310#section-10>
